Any Contract is binding on the parties from the date of the Order Confirmation, and shall continue unless terminated in accordance with this Clause 4 of our 'CONTRACT General Terms & Conditions'.

At any time after the Service Commencement Date, either party may terminate a Contract by giving the other party 12 months' written notice to terminate ("Minimum Notice Period").

If the Customer cancels after the Company has started the Services, the Customer must pay the Company for the Services provided up until the time it notifies the Company that they have changed their mind.

Please refer to our Terms And Conditions for more information.
